

25 November: International Day for the Elimination of **Violence against Women**

"Sexual violence against women and girls is rooted in centuries of male domination. Let us not forget that the gender inequalities that fuel rape culture are essentially a question of power imbalances." – UN Secretary-General António Guterres

Here is how the [UN](#) explains **why we must end violence against women.**

Which types of violence do you know which are specifically addressed to women?

Find out about it with these Infographics with facts about violence against women.
